

# Aspen Ski Lounge

## Dry and Warm Environment:

Our climate-controlled lockers ensure your gear stays dry and in optimum condition.

No more worrying about damp or cold equipment affecting your skiing performance! The boot dryers inside each locker are 120-volt, 100-watt appliances to keep your gear dry.

## Pricing:

The seasonal price is \$1,950.

Daily and Weekly pricing upon request.

## Secure and Convenient Storage:

Our ski lockers are designed with DIGILOCK Aspire Electronic locks to keep your valuable skis, snowboards, and gear safe. You can rest assured knowing your equipment stays protected throughout the season!

The material of the lockers is HPL Phenolic and is durable, stain-resistant, and dent-proof.

## Prime Location:

Our lockers are strategically located near the ski lifts, providing easy access to the ski slopes and ski shuttles.
